Subject:- Excess furniture at the Resident's Office -- taking over of for the use of my offices ---

....

SIR,

I have the honour to enclose herewith a list of surplus furniture at the Mysore Residency Office and Court now available for disposal. I have inspected them along with the Executive Engineer, Buildings Division, Bangalore, who states that the valuation of the furniture given in the list is fair and that the furniture are in good condition and may be taken over. I agree with his recommendation. Besides the surplus furniture noted in the list there are about 20 typewriters and more than 1/2 a dozen clocks which may also be taken over. A reference to Government of India is necessary to hand over these articles also.

With a view to avoid hire being paid on some of the furniture in my offices I have called for full particulars re: the list of hired furniture and the hire charges paid at present together with the actual requirements of the various offices under me. I shall send a further communication regarding the actual requirements of my offices. In the meantime, I request that the Government of India may be addressed to spare the typewriters and clocks referred to and the remaining furniture now retained after the skeleton staff now retained is also disbanded.

I have the honour to be,
Sir,
Your most obedient servant,

Collector & Liaison Officer.

Copy forwarded with compliments to:-

1) The Executive Engineer, Buildings Division, Bangalore, for favour of information.

2) The Officer on Special Duty, Residency Bangalore for information.
